In July 2014, **Dr. Alan Marco**, CEO of *Wright State Physicians, Inc.*, signed a written agreement with **late-term abortionist Martin Haskell**. This agreement was designed to allow Haskell's late-term abortion clinic in Kettering to remain open as an exception (variance) to Ohio law because Haskell is unable to comply with state legal requirements. Ohio law requires that such clinics have a written transfer agreement with a local hospital but no Dayton-area hospital will enter into an agreement with Haskell.
